Hello

Make a great first impression for arriving guests. Contemporary styles with distinctive materials create a reception space to embrace your brand and form your identity. Made to measure solutions optimize space and function. Add smile for a warm welcome.

In Good Company

Set the tone for your next meeting. Structured and planned or casual and creative we offer a complete collection of tables to address the specific needs of formal boardrooms, state-of-the-art conference rooms and small meeting spaces. So go ahead and schedule your next meeting.

Meeting Expectations

Premium finishes. Thoughtful features. Superior construction. We work hard to build and design products that never compromise on value, durability and performance.

Social Scene

Scene Tables function beautifully almost anywhere; from shared open plan settings to focused meeting and conference rooms. Scene tables create an energized environment to fuel conversation, creativity and collaboration.

The Flip Side

For working, studying, training or meeting. Designed to fold, nest and store. Ready Tables make for a setting that's playful and exceptionally versatile.

Lounging

Lounge Tables can serve as a casual place to gather and be productive or a relaxing spot to linger and refuel. We encourage you to do a bit of both.

Business Casual

Offices are more collaborative than ever, creating engaging spaces that foster a sense of community. An approachable, comfortable place for teams or personal-focused work enabled by technology.

Cloud Cover

Cloud provides a cozy space to touchdown with convenient-on-the-go connectivity for personal devices. So you can stay fully connected to the office buzz while enjoying some alone time.

Go the Distance

Whether you're sitting down or thinking on your feet, with a press of a button our Height Adjustable Tables are always up for getting down to business. An immediate sit/stand range allows for a variety of postures throughout the day to provide comfort and support wellness.

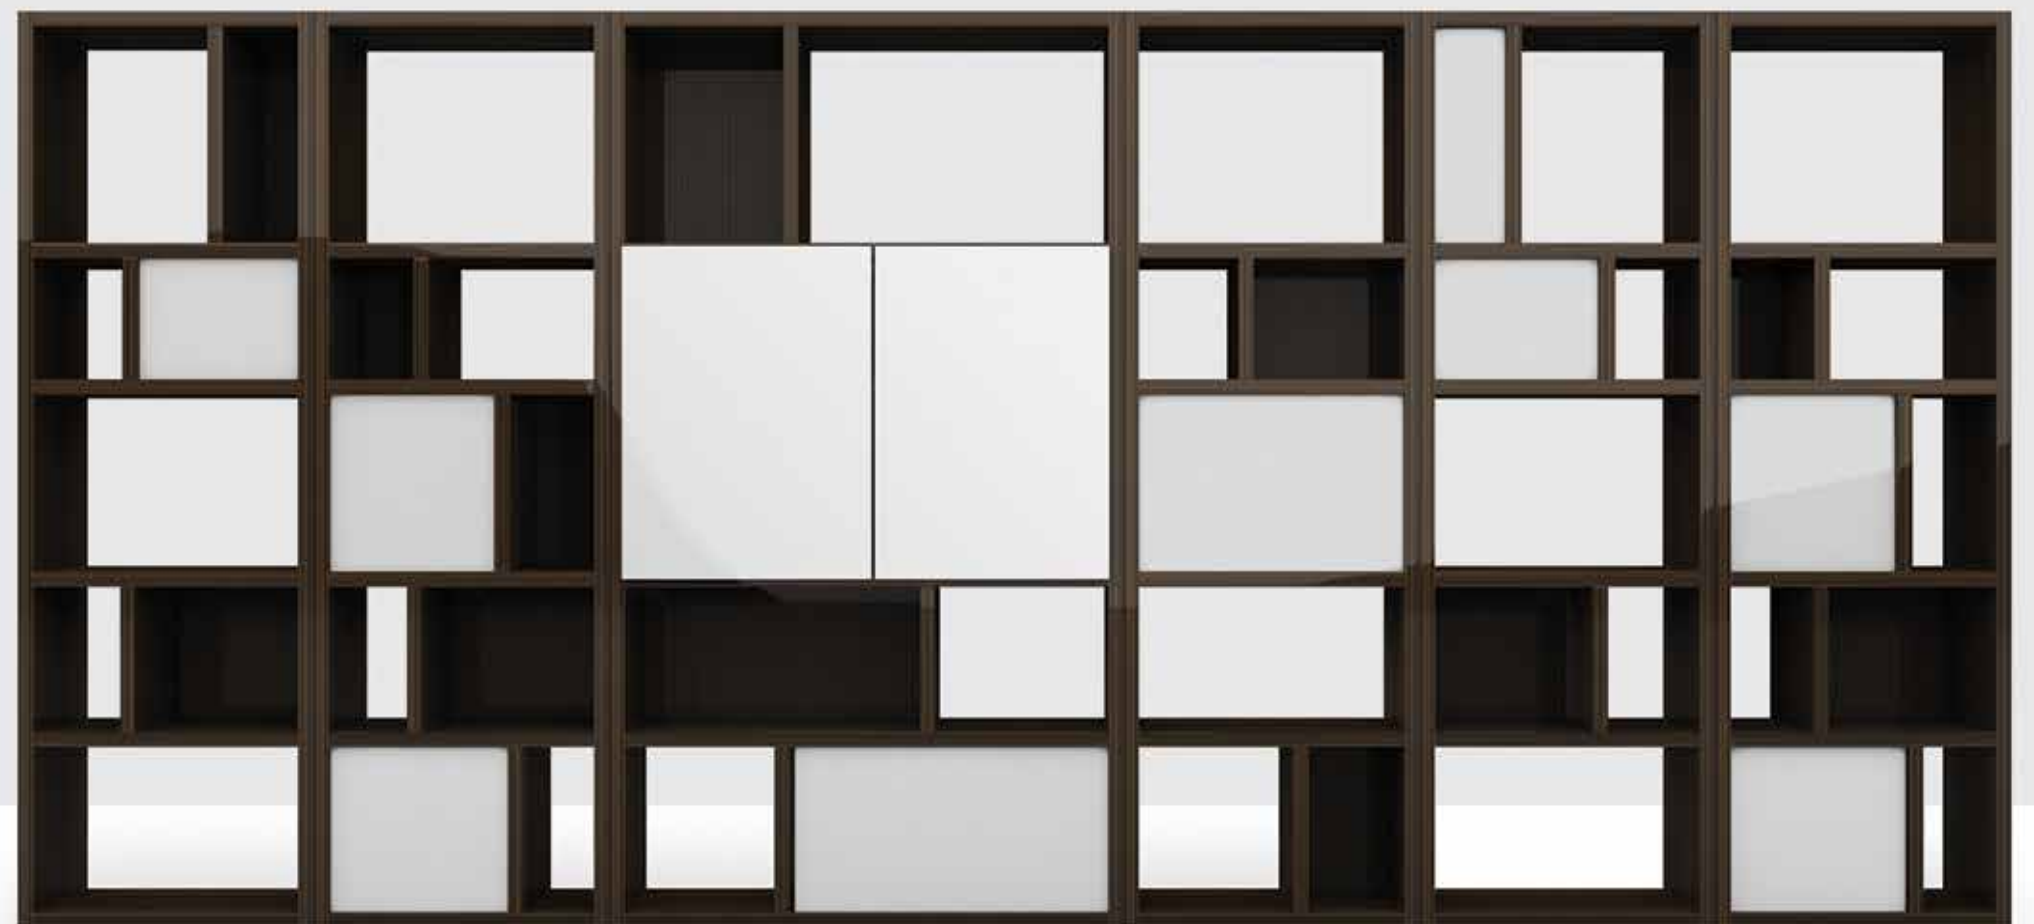

Well Suited

Rolflex offers a mix of layered surfaces with multi-purpose storage to create a perfectly tailored, highly functional workspace.

Shelf Assured

Bold, modular storage. Rolflex Shelving is designed to delineate space and provide display and media storage. Double-sided storage modules can be combined and configured to provide privacy within open plan and lounge areas. Storage modules are uniquely divided to add visual interest and admit light.
