

COMMUNITY TABLES

OPEN PLAN

Offices are more collaborative than ever, combining casual and transparent spaces to promote creativity, interaction and focused work. Inspired by gathering spaces Community Tables provide the perfect complement to any lounge or open plan. The design is simple and functional. Tables are offered in a variety of sizes with the base panels positioned to optimize seating capacity and comfort. Optional features include easy-access under worksurface power/data modules. Canopy lighting and frosted panels to control sightlines and privacy. Storage options can be mixed and stacked to adjust the level of privacy and provide separation and space definition within the open plan.
