EXECUTIVE CASEGOODS

Price Guide ◀

3.5% PRICE INCREASE
Effective March 1, 2011

General Information

Sales of In2design products are in accordance with the terms and conditions outlined in this Price List. These terms and conditions may be changed or supplemented only by a separately written document signed and by authorized in2design.

Prices

The prices published in this Price List, as well as those quoted by in2design shall be suggested List Prices. List Prices are subject to change without prior notice.

List Prices are those that are in effect at time of order receipt. If shipping date requested is more than 90 days from date of order, in2design shall have the right to use the published list prices effective at the time of shipment.

Taxes

All prices shown in this Price List are exclusive of sales, excise, GST and other applicable taxes. The Purchaser is responsible to remit directly to in2design all such taxes as per the invoice.

A Tax Exemption Certificate (if applicable) must be on file with in2design prior to the product shipment, otherwise, sales tax will be due and payable.

Payment Terms

All orders are invoiced at time of shipment. Terms of payment are NET thirty (30) days from date of invoice.

In2design shall exercise the right to enforce a charge amounting to 2% per month, or 24% annually on any past due invoice or outstanding balance.

All products sold shall remain the personal property of in2design until fully paid. The purchaser agrees to perform all acts which may be necessary to assure retention of title to such products to in2design until such time as the products have been paid in full.

Credit

Should the Purchaser fail to fulfill the terms of payment, in2design may defer further shipments until all such payments are made or may, at its option cancel the unshipped balance without prejudice to any other rights which in2design may have against the Purchaser.

Shipments and deliveries shall at all times be subject to approval of the Purchaser's credit.

Order Placement

In2design requires that all orders be submitted in writing as represented by a valid Purchase Order and accompanied by a layout/drawing to avoid errors and or duplication. The Purchaser is responsible for providing complete and accurate information when placing an order. Orders with incorrect/incomplete information will result in order processing and shipment delays. Product leadtimes will be based upon receipt of a complete and accurate Purchase Order.

Order Acknowledgement

All orders submitted will be acknowledged. It is the Purchaser's responsibility to review the acknowledgement for accuracy. In the event of an error, the Purchaser must notify in2design immediately (within 48 hours) in writing by fax or e-mail.

Delivery Dates

In2design shall exercise its best efforts to deliver within the date specified on the Acknowledgement. In2design shall not incur any obligation or liability to the Purchaser for delay or failure to deliver goods due to causes beyond our control.

Order Changes & Cancellations

Any changes to the original Purchase Order must be received in writing within 48 hrs of the order acknowledgement. Any change to the original Purchase Order beyond the 48 hrs will result in re-scheduling and subject to a restocking charge commensurate with the incurred production costs.

All orders are considered firm and not subject to cancellation by the Purchaser without the written consent of in2design. Special order items and COM items are not subject to changes or cancellation under any circumstances.

COM Orders

A request for non-standard material (laminated or fabric) must be approved prior to acceptance of an order. Material must be shipped prepaid to in2design Customer Service Team and properly identified. Performance of COM is the sole responsibility of the Purchaser.

Errors & Omissions

All quotations, acknowledgements and invoices are subject to corrections for any errors and omissions.

General Information

Shipping & Delivery

All products are sold F.O.B. in2design's Manufacturing Facility: Vaughan Ontario, unless otherwise stated and agreed.

The Purchaser will determine the method of transportation and the routing of shipment.

Shipping & Delivery

All deliveries will be dock-to-dock, unless otherwise specified.

Shipment Claims

In2design carefully prepares and inspects all products for safe shipment. Legal title to merchandise passes to the Purchaser upon acceptance by the carrier. **Inspect all cartons upon delivery.**

It is the responsibility of the Purchaser to examine goods upon receipt and to file any claims with the carrier for losses or damage to the product. Details of visible damage should be noted on the delivery receipt. Product shortages must be noted on delivery receipts at the time of delivery and immediately reported to the carrier for correction.

Failure to make any claims against in2design within 10 days shall constitute acceptance of the products and a waiver of any defects, errors or shortages discovered upon inspection.

Product Returns

No return of product will be accepted without the written consent of in2design. Any shipment returned without prior written approval will be refused and returned to the sender freight collect. If approved, a minimum restocking charge of 35% of the original net price shall be charged on returns for credit or refund provided the goods are received in original factory condition.

Storage

In the event the Purchaser requests postponement of the shipment beyond the scheduled delivery date, in2design, in2design may transfer product to storage at the Purchaser's risk and expense. Upon such transfer, the Purchaser assumes risk of loss or damage.

Product Warranty

In2design warrants its products to be free from defects in material and workmanship for a period of ten (10) years from the date of delivery. This warranty extends only to original Purchasers acquiring the product directly from Authorized Dealers and shall apply to product(s) installed by Authorized installers.

This warranty does not extend to C.O.M. applied to in2design products, or products which have been modified or installed contrary to recommended application and installation guidelines.

In2design will not authorize any warranty, parts or labour without the appropriate warranty numbers. All claims with respect to products alleged to be defective must be made within ten (10) days and submitted in writing.

This warranty excludes normal wear and tear, damages caused during shipment or storage; damage due to accident; improper use, negligence or willful abuse; unauthorized alternations or improper installation.

In2design extends no other warranties, expressed or implied, including warranty of merchantability or fitness for a particular purpose. In2design shall not be liable for loss of time, inconvenience, commercial loss, incidental or consequential damages.

Customer Satisfaction

Our goal is to provide the very best service to our customers and to ensure complete product and performance satisfaction. We will exercise our best efforts to achieve this goal.

Quality Standards

All in2design products are ANSI/BIFMA tested and manufactured to ISO 9001 Quality Standards.

General Information

Creating an effective Private Office Layout with AMBITION Executive Casework is simple and straightforward. This guide provides a variety of illustrations of Workstation Configurations along with a complete product description, itemized list prices, the total workstation list price, and the overall floor plan dimensions.

The workstations in this guide illustrate the breadth and capabilities of the product. The typicals provide practical planning solutions for several "Freestanding", "L" Shape and "U" Shape Configurations with numerous design and storage options.

You may choose from any of the workstations as they appear, or modify them by changing a few components or sizes, or build your own to achieve a "customized" configuration that best suits the user's work style, space and functional requirements.

Whatever the approach, you will discover that this sales tool will save you time and provide accurate planning and product specification for efficient order processing. To place an order for any of the illustrated typicals, simply reference the typical # identified and specify the laminate finish.

General Product Specifications

Worksurfaces

All worksurfaces are available in thermally fused Melamine or High Pressure Laminate, in a vast selection of finishes.

Melamine worksurfaces measure 1" thick. High Pressure Laminate worksurfaces measure 1-1/16" thick. All edges of the worksurface are seamlessly finished with 3mm thick PVC edgebanding for added durability and user safety.

Worksurface Grommets

Grommets can be specified on selected locations for the worksurfaces of desks, credenzas, bridges and returns. Grommets can be installed in the right-hand, left-hand or centre positions of desks, credenzas, bridges and returns. The grommet location must be indicated.

The plastic circular grommet measures 3.14" dia. Standard finish is silver.

Optional Power Ports

An optional power port can be specified to provide convenient, worksurface height access to a duplex electrical outlet and voice/data.

Modesty Panels

Modesty panels are available in a variety of styles.

Full height **removable** melamine laminate modesty panels are available on Desks, Returns, Bridges and Credenzas.

Glass surface mounted modesty panels are available on all Single and Double Pedestal Desks including Extended Corner Desks. Glass modesty is mounted to the face of each pedestal.

Glass modesty panel is available in "Clear" or "Frosted" finish, with or without a decorative pattern.

Tempered and polished Glass Modesty measures 12 mm thick.

Metal Perforated modesty panels are available on Single and Double Pedestal Desks including Extended Corner Desks. Metal modesty measures 17" high and is constructed from 16 gauge metal. Metal modesty is available in Silver epoxy powder coat finish.

Glides

End Panels include 1-1/2" leveling glide.

Connection

In2design products are built with quality materials, careful attention to detail and quality finishing for years of performance. Metal to metal fittings combined with dowel joinery maintain product integrity. Precise tolerances allow ease of assembly.

Pedestal Storage

Ambition features a "Casegood" construction whereby the storage pedestal provides the support structure for Desks, Returns and Credenzas. All components are handed based on the location of the pedestal (left or right) from the user's orientation.

All drawers are mounted on full extension over travel slides with ball bearing suspensions. File drawers equipped with integrated file suspension rails.

All File drawers will accept both letter and legal size filing. Weight capacity of the pedestal file drawer is 100 pounds. Weight capacity of the lateral file drawer is 150 pounds.

Drawer interiors are 1/2" vinyl wrapped particleboard, black finish.

Pencil tray is supplied in top 4" drawer of each pedestal. Pencil tray provides suitable storage for a variety of stationery needs.

General Product Specifications

Locks

Locks are standard on all pedestal and lateral files, credenzas, and storage cabinets and towers. Locks on pedestals are located on the upper right hand corner of the top drawer. Locks can be keyed alike at no upcharge, please specify on your purchase order.

Drawer Pulls

Two drawer pull options are available; Linear & Curved. The mounting location is a centered location on drawers and a left or right position on doors. Each metal pull is available in aluminum (silver) finish. Please specify style at time of order.

Overhead Storage

Desk Top and Wall Mounted styles are available with many options. Choose from laminate doors, aluminum framed glass doors, a combination of laminate and glass or open styles.

Hinged doors are available in ¾" melamine or high pressure laminate with 3mm PVC edgebanding. Glass Doors available in Frosted and Clear finish. Glass measures 4mm thick.

Overhead Frame (End Panels & Back Panel) is melamine construction. End panels measure 1" thick with 3mm PVC edging; back panel measures ¾" thick.

Desk Mounted Overhead Storage

Overhead Desk Mounted storage is offered at 44" high. This provides 26" clearance from the worksurface to the underside of the overhead cabinet.

Desk Mounted Overhead cabinets feature integrated wire management. The back panel offers 1" wire opening along the width of the cabinet concealed with a flexible vinyl sweep at worksurface height to route cables. A grommet is also provided on the back panel to neatly route the tasklight cord.

Wall Mounted Overhead Storage

Wall Mount Overhead Storage must be installed on wall studs. The first step for installation is to locate the studs in the wall where the overhead is to be mounted. A metal mounting rail and brackets are supplied for attachment to the structural wall.

Fasteners are to be provided by the installer. If studs cannot be accessed, then appropriate drywall plugs or butterfly bolts should be used.

Tackboard and Tasklight are available.

Locks

Optional locks are available on Laminate Doors for Overhead Storage at an upcharge of \$ 75 List per set of (2) doors. **Locks are not available on glass doors.**

Storage Towers and Cabinets

All storage towers and cabinet frames are ¾" melamine construction. Door Fronts are available in melamine and high pressure laminates or glass (frosted or clear finish). Towers are available in 16" and 24" widths. Storage cabinets are available in 30" and 36" widths. All units are offered at 73" high. Units include 1-1/2" leveling glide.

Hinged Door Hardware

European hinges are designed to be adjusted for depth, horizontal and vertical alignment. Doors are hinged to open at 90 degrees.
