

BOARDROOM & CONFERENCE

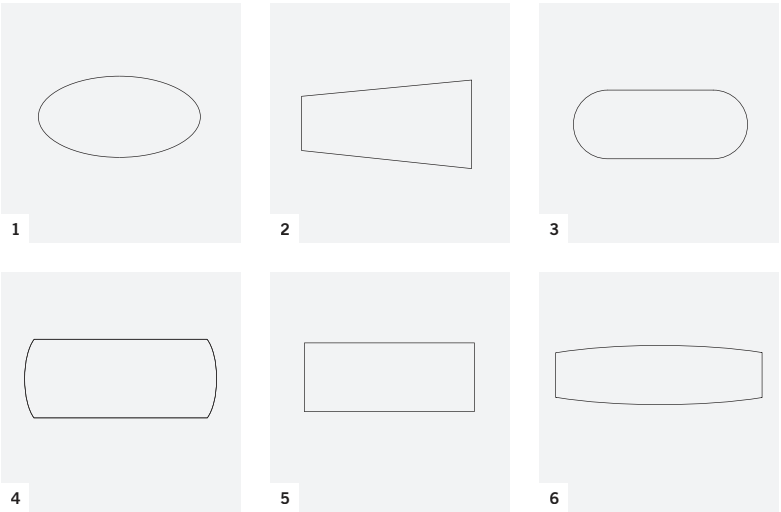

TABLES

In2design offers a complete collection of tables and storage to address the specific needs of small meeting spaces, formal boardrooms, state-of-the-art conference rooms, as well as specialty applications such as cafeteria and lounge areas.

Create meeting spaces with confidence, style and authority. An extensive selection of shapes, a wide range of sizes and base styles provide practical, well-designed affordable solutions.

- 1 Oval
- 2 Wedge
- 3 Racetrack
- 4 Arc End Rectangle
- 5 Rectangle
- 6 Boat

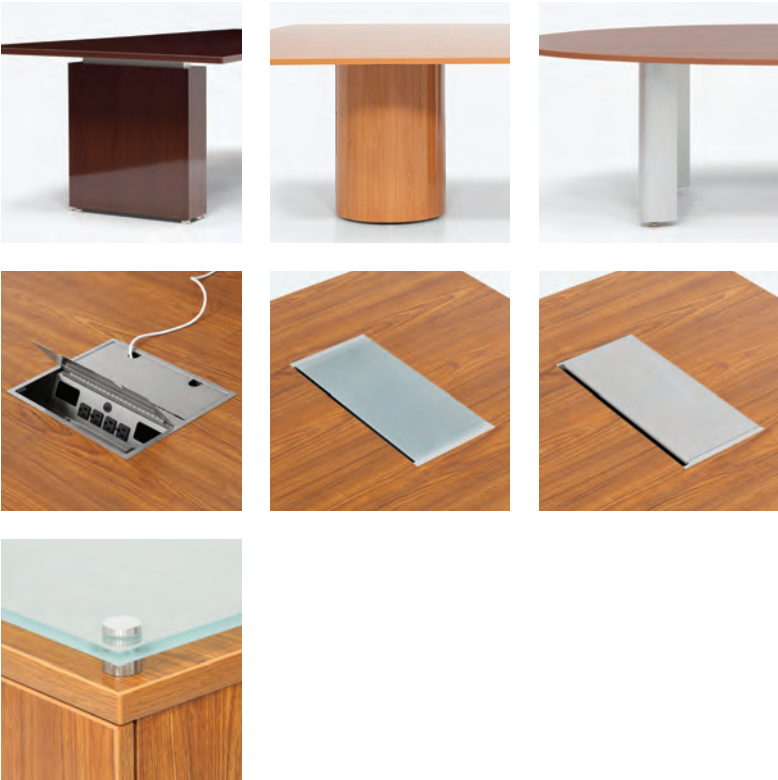

Multiple base options are available to suit functional requirements. Specific bases are designed to conceal floor monuments and route power and data cables.

A full complement of versatile storage and presentation cabinets facilitate convenient access to communication and presentation technologies. Finish options include contemporary woodgrain laminates, aluminum accents, clear and frosted glass.

Power management options arrive wire-ready. Tables easily accommodate advanced technology demands with full, multi-circuit electrical options and an integrated wire management system. Several flush fitting power & data modules are offered to provide quick, easy access.

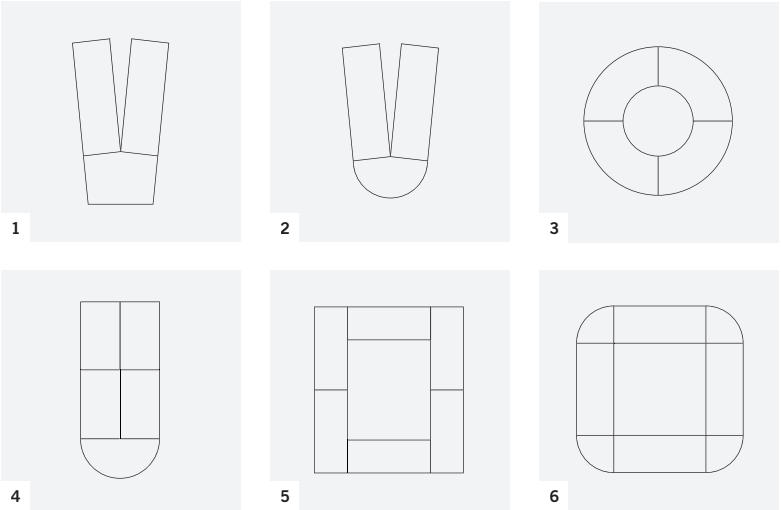

- 1 Panel Base
- 2 Drum Base
- 3 Semi Oval Post Leg
- 4 Dual Power Module with Aluminum Face Plate
- 5 Single Power Module with Frosted Glass Face Plate
- 6 Single Power Module with Aluminum Face Plate
- 7 Floating Glass Top

Modular table configurations fulfill the needs for special meeting arrangements including video-conferencing and large-scale presentations.

All components are precision engineered to exacting tolerances and manufactured with quality materials to ensure superb performance upon installation and years beyond.

- 1 Open V
- 2 Arc End V
- 3 Round
- 4 Open Racetrack
- 5 Block
- 6 Block
