TABLES

Lounge Tables support dynamic, multi-functional spaces. The tables are ideal for fluid spaces that include open, informal collaborative settings and multi-use lounge areas. The series offers a variety of multi-purpose tables to accommodate casual spaces for interaction, provide comfortable café/lounge areas or create dedicated touch-down spaces to support individual/group activity with quick, easy access to power & communications. Generous surface and work area available in a range sizes and heights to permit sit-stand or sitting solutions. The collection includes a full complement of coffee/end tables and benches.
